Based on SPP's approval, Ron expected Nagel's participation, if I understood him correctly on Friday. OPA can reach out to AG's comms person, with whom we have worked in the past. If our efforts are unsuccessful, Dave Cozad may have better luck with the assistant AG with whom he has dealt often.

I want to be sure the AG includes EPA in its comms due out this week. Please get that message to AG: each agency with responsibilities at W/Lake should be including the others when it does comms.

SPP on Thur last week ok'd MDNR's participation in this call: will Nagel and/or Aaron Schmidt be on it?

Please advise.

Thanks.

LaTonya,

Thank you for setting this up. I plan on being in attendance on the call on behalf of Rep. Wagner.

Due to the possibility that the Bridgeton Landfill could be brought up, the Congresswoman has asked that the Attorney General's office be included on the call as well. I have included the contact info for his Executive Assistant below:

Pam Coffey

Executive Assistant to AG Chris Koster
